Donate a Cup

Thank you for your offer to donate a cup to our Vocal Competitions. Cups contain a wonderful record of winners - it is exciting for us to look back and see names like Kiri Te Kanawa and Malvina Major listed.

We want to save you the trouble of organising the cup.

1. From the Cups listed below, please choose a cup and size - **OR** - go to www.awards.co.nz/silverware and make a different choice. Please note, three lines of engraving is included in the price.
2. Via email, please send us your name, contact details, choice of cup, and what you would like written on the cup.
3. We will confirm your choice/s, order the cup and send you an invoice for the cost with details of where to deposit the money.
